Part Number	Description
FA40	Ground Stake - 160mm Length
FA41	Ground Stake - 205mm Length

Description

Ground stake accessories for mounting Storm Series fixtures are available for all sizes of fixture. We recommend using FA40 for the Storm Z fixtures, and FA41 for all other fixtures. Each ground stake includes hardware for mounting the Storm Series fixture to it.

Features

- ▶ Made of black powder coated metal
- ▶ Mounting hardware included
- ▶ small and large size available
