Part Number	Description
PM70	Ping Swivel Mount for 60mm Fixtures - Black Finish
PM71	Ping Swivel Mount for 60mm Fixtures - White Finish *CUSTOM ONLY*

Description

This recessed trim mount allows you to install a Gantom One or Gantom 7 fixture in a ceiling for downlighting. The swivel adjustment allows you to precisely aim the fixture with a total of 40° of adjustment. The trim is available in black or white finish, and it completely covers the black finish on the standard fixtures. The trim can also be used to hold a diffuser or an MR16 hex louver.

Features

- ▶ Fits a 4" (102mm) mounting hole
- ▶ spring clips hold the mount firmly in place
- ▶ compatible with all Gantom One, Gantom One DMX, Storm One, and Storm One DMX fixtures
