New Version of G8 Distribution Box

Gantom, located in Valencia, California, USA, is the sole designer and manufacturer of all authorized Gantom products worldwide. Please be advised that the following item has been discontinued and replaced with an updated version of the item, item# GP001 G8 Distribution Box - Indoor Field Install.

OBSOLETE VERSION		
Part#	Item Description	Status
GP001	G8 Distribution Box - Indoor Field Install	obsolete
REPLACED WITH		
GP002	G8 Distribution Box – Indoor/Outdoor Field Install	now available

The only difference between GP001 and GP002 is that GP001 had panel mount connectors for DMX input and output. On the GP002, DMX input and output is done by connecting to screw terminals inside the distribution box.
